Dear Mr. Munson:

This letter is in regard to M/023/059. We discussed this matter recently on the telephone. I have enclosed copies of letter that have been sent to Mr. Dale Dorius. Our intention is to have this matter resolved by July 1, 2002. Our initial thought was that perhaps this matter could be resolved between all parties, however, it appears that will not be possible.

I would appreciate it if these letters could remain confidential and not become part of the file available to the public. This information is confidential to our litigation. If you have any further immediate questions please call me.

Sincerely,

Nephi Sandstone

Bruce Evans
